1700	Adjourn	

* The JLET WG will take breaks based on the WJTSC published break schedule.

Statement of Purpose: The purpose of the Joint Logistics Education and Training (JLET) Working Group (WG) is to discuss and present Governance recommendations to the JS J4 for review and use in developing COAs to create an AO-level WG to present to the Logistics Development Council (LDC) for consideration. In addition, the JLET WG will receive various briefings on emerging products and technologies to improve joint logistics capabilities.

Commands/Organizations Invited to Attend: OSD, JS, COCOM/Service/Agency logisticians who support operational logistics, train and educate joint logistics functions in a classroom or exercise environment, and experiment with emerging logistics capabilities.

Agenda and Read-Ahead Information Papers: Can be accessed at the J-7 WJTSC web site:

http://www.dtic.mil/doctrine/training/conferences/wjtsc10_2.htm

Commands/organizations are encouraged to comment on and recommend additional items for the agenda.
